"THE ACHIEVEMENTS OF TULSA"

IS OFF THE PRESS — FOR YOU WILL BE DISAPPOINTED

There is absolutely no advertising revenue in this issue, not one paid write-up, not one display advertisement. Its every page and every inch is devoted to a pure news presentation of the "Achievements of Tulsa"

Do You Know There is Over Two Million Dollars worth of construction work under way in Tulsa right now?

The man compiling "The Achievements of Tulsa" started out to show pictures of a million dollars' worth; then they raised the amount to a million and a half, and later to the two million mark.

Realization of this vast showing inspired The World to increase the size of this big booster edition to 48 pages, for in no less can the Achievements of Tulsa be shown in a fitting manner.

This increase has caused a slight delay in publication, but it will be all the better for the additional work undertaken.

Just Now, the Big Point for You to Consider Is:
"How Many Papers Can I Use?"

If you are going to let your friends and business associates away from here know that Tulsa is on the UP GO, this paper will be the best medium you can lay your hands on.

Order your copies at the circulation window of The World early Monday morning. Leave your mailing list and we will mail the copies you buy without postal cost.
